

New Runa ZW Wall Sconce:
A Perfect Fit Every Time

Lighting a tight space? The Runa ZW Wall Sconce fits effortlessly in challenging areas — like pool enclosures and narrow posts — and integrates seamlessly with the advanced Luxor® System for enhanced control and personalization.

- **Space-Saving Design:** Linear mounting plate fits in tight or narrow spaces, eliminating the need for costly adjustments
- **Versatile Installation:** Corner bracket accessory mounts securely in corners of pool enclosures, reducing setup time and labor
- **Outdoor Durability:** Robust construction withstands the elements, saving money on replacements and repairs
- **Customizable Lighting:** Dimmable LEDs offer flexible lighting design with fewer fixtures
- **Luxor® Compatibility:** Advanced control options enable personalized lighting schemes, saving time on light management
